

Aldershot Methodist: Our Future Story

What's God's Mission for Aldershot Methodist?

Following up from our session of telling our past stories, you are invited to dream about the future of Aldershot Methodist. What's your vision?

Where is God in our Future Story? ?

We will be using the stories we told in February, to help us do some dreaming about what's next for our church. Bring some food to share as we look to our future story.

Please let one of the stewards know you are coming.
